#Lesson one: The eagle in a storm When a storm rages, unlike other birds that hide in the leaves and branches of the trees, the eagle instead perches majestically on a rocky mountain and looks into the eye of the storm with confidence, as if to say, "Hallelujah, here comes another storm, another chance to ride higher than I did the last time."

## **LIKE THE EAGLE: RISE ABOVE THE STORM - inspired2go**

The Eagle uses the storm's winds to lift it higher. Once it finds the wind of the storm, the Eagle uses the raging storm to lift him above the clouds. This gives the Eagle an opportunity to glide and rest its wings. In the meantime, all the other birds hide in the leaves and branches of the trees.
