In some ways, *The Pirates! in an adventure with Communists!* is actually better than the first novel in this series. The writing has become a bit more polished, the footnotes more witty, and the humor is just as absurdly funny as the first. (I thought the second adventure with *Whaling* was a bit of a let-down compared to their adventure with ...

...

Defoe also wrote the screenplay for The Pirates! In an Adventure with Scientists! (even the title's clunky), but his jokes aren't funny enough, and the storyline not substantial enough to justify its feature length. The characters also lack the charm of Aardman's more famous creations for some reason, and the decision to use computers to ...
